Van Guard design and manufacture security products and load carrying solutions for most makes and models of van available in today's marketplace.

Through innovative design, efficient production techniques and investment in technology we are able to respond quickly to the needs of our customers.

We are committed to our goal of producing quality products, using high quality materials backed up by a reliable 'next day' mail order service.

INCLUDES NEXT WORKING DAY DELIVERY!

Orders received before 2.30pm are despatched for delivery the same day, subject to availability. Saturday morning and timed deliveries can be arranged for an additional charge.

Scottish Highlands and off-shore locations 2-3 days delivery. Some postcodes may incur a carriage charge.

Call our sales team on 08000 191930, Monday to Thursday 8.30am - 5.00pm and Friday 8.30am - 4.00pm.

Orders taken by telephone, fax, e-mail or online from our website.

THE NEW MAXRACK

(Gallery Rack)

This system is a lightweight aluminium and stainless steel construction, which provides excellent durability and strength. Incorporated within the rack are a full width stainless steel roller for easy loading and a full width wind deflector, which reduces drag helping fuel economy.
